

Plan Your 2017 Continuing Education Programs

We are providing a list of the AIA Connecticut continuing education programs planned for the year. Please note that most of the programs in the first half of the year are code related, in consideration of the recent adoption of new state building and fire codes. We hope that this list will help you to fulfill your AIA continuing education requirements of 18 hours of which 12 must be in Health, Safety and Welfare.

Water Technology, Part 2, January 18, snow date, January 24, 3 hours HSW

2012 International Energy Efficiency Code and the Building Envelope, January 31 (snow date February 1), 3 hours HSW

Changes in Accessibility Codes, February 8 (snow date, February 14), 3 hours HSW

2012 IBC Chapters 3 & 4, 7 & 9, February 28 (snow date March 2), 6 hours HSW

2012 International Building Code, March 15, 3 hours HSW

Sustainable Preservation, March 30, 3 hours HSW

New Connecticut Fire Codes Overview, April 5, 4 hours HSW

Masonry Day (with International Masonry Institute), April 10, 3 hours HSW
