

2019 Call for Program Proposals

This year's conference will offer approximately 36 two-hour programs and 12 one-hour programs.

Programs should address one of the following topics:

- Business
- Technology
- Sustainability
- Materials and Building Performance
- Urban Planning and Development/New Urbanism
- Energy
- Design

Sessions will be selected on the basis of merit and the need to create a well-balanced program. Professionals at all stages of their careers are encouraged to develop and submit a program for consideration. Topics exploring the architecture of Connecticut and the New England Region are encouraged.

The proposal must include:

- Program Title
- Program Description
- Speaker Name, Professional Bio/Credentials, Contact Information (email and cell phone)
- Four Learning Objectives

For inquiries or to submit a completed proposal form, please contact:
