- pest control services
- security and maintenance, including steps reasonably necessary to secure and maintain non-essential businesses
- state marshals

11. Vendors that provide essential services or products, including logistics and technology support, child care, and services needed to ensure the continuing operation of government agencies and provide for the health, safety and welfare of the public including:

- billboard leasing and maintenance
- child care services
- essential government services
- government owned or leased buildings
- information technology and information security
- logistics
- technology support

12. Defense

- defense and national security-related business and operations supporting the U.S. Government or a contractor to the US government

If the function of your business is not listed above, but you believe that it is essential or it is an entity providing essential services or functions, you may request designation as an Essential Business.

Requests by businesses to be designated an essential function as described above, should ONLY be made if they are NOT covered by the guidance.

[To request designation as an Essential Business, please click here.](#)

Restrictions on requesting designation as an Essential Business:

- Any business that only has a single occupant/employee (e.g. attendant) is deemed exempt and need not submit a request to be designated as an Essential Business.

If you have further questions not answered above, please submit them to DECD at decd.covid19@ct.gov.
