

THE SCARLET DWELLING

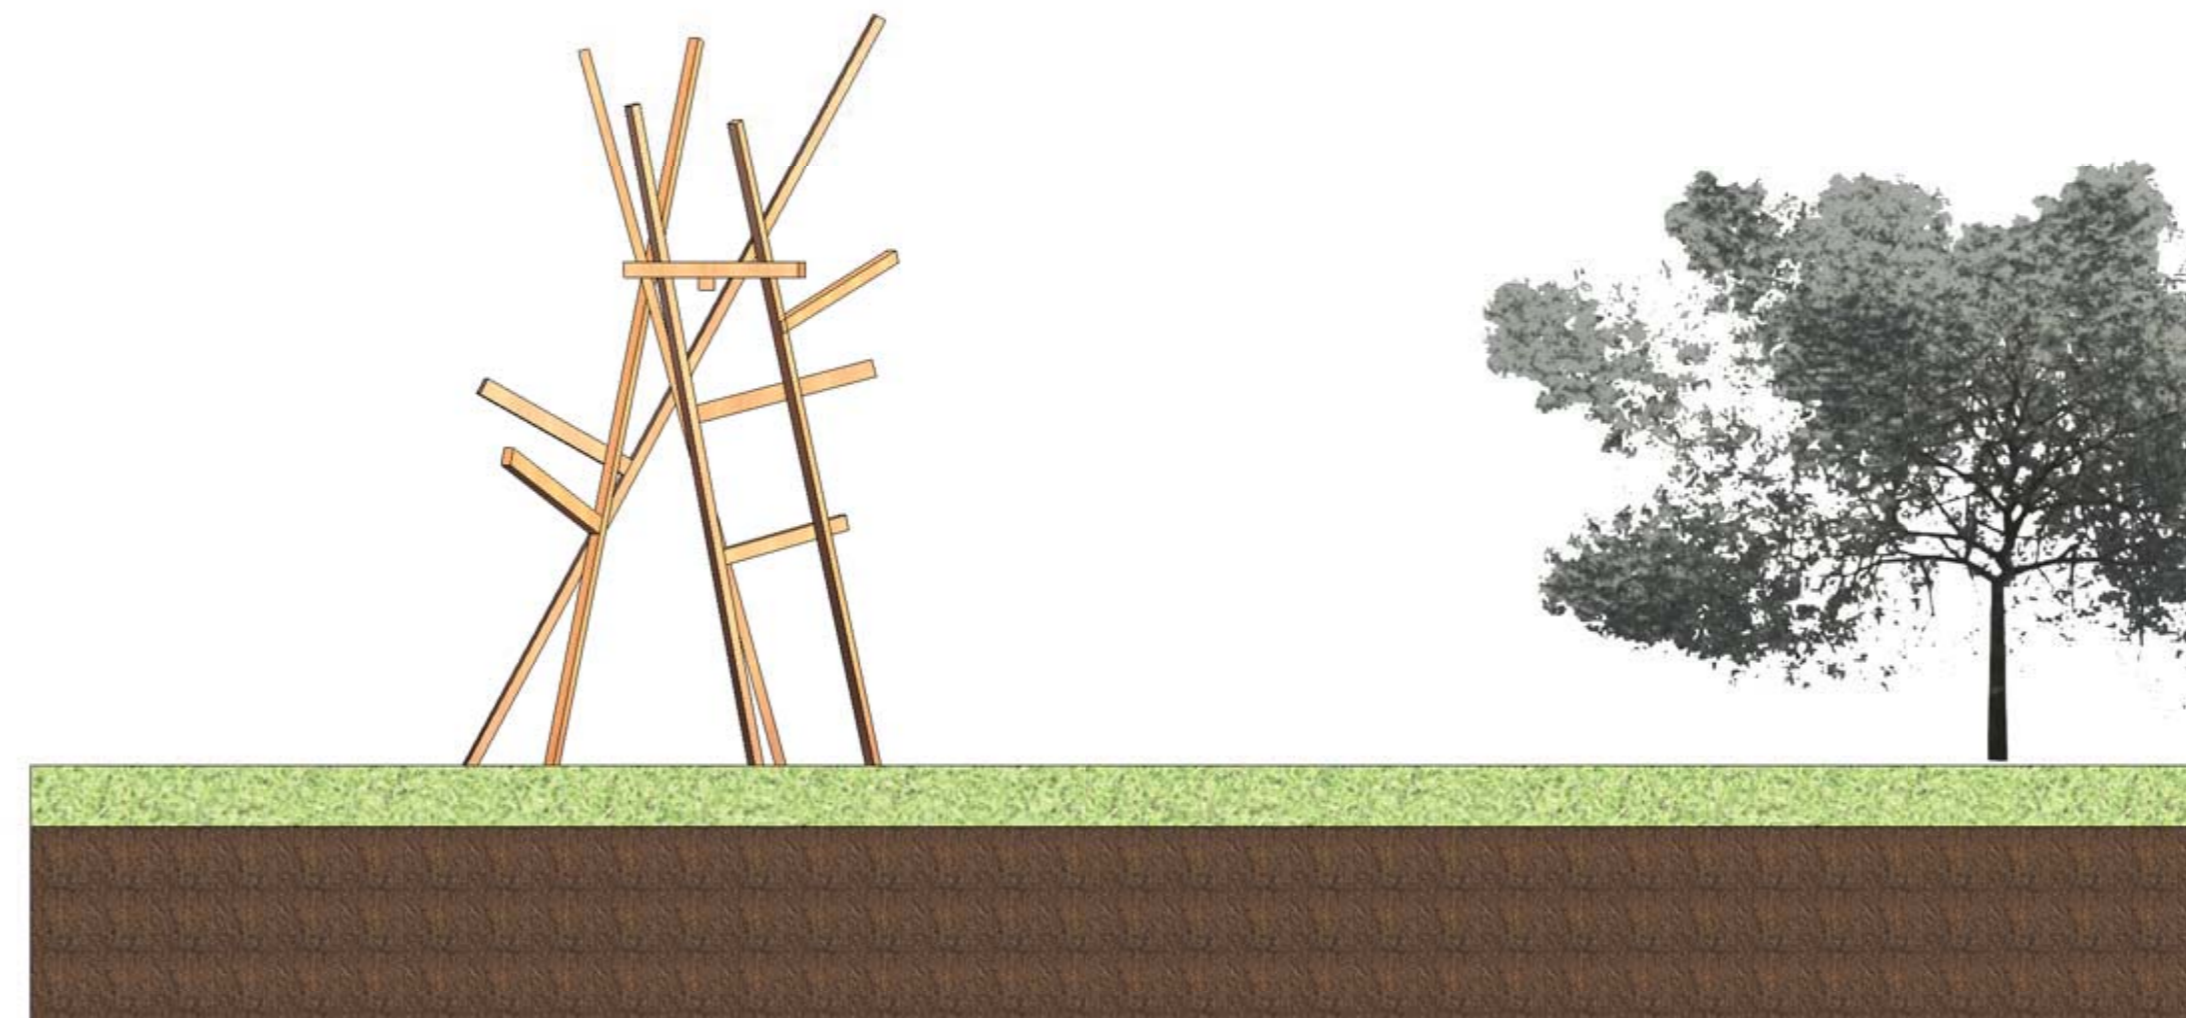

CLERVAN MERILUS

CONTENT

The Scarlet Macaw is one of the most beautifully winged parrots in the world. With its extinction at hand, with under 500,000 available, It is crucial that we do what we can to preserve the life of the Parrots. So taking inspiration from the wings, The design and structure is intended to be both light and open, a nice place for a pet Macaw to enjoy himself is an open one. The drive is also to provide the extensions for a resting place to the Macaw taking inspiration from the extentions of a tree. algotoger, this a piece that focuses on tectonic elements
