

2017 AIA Connecticut Design Award Certificates and Award Presentation

Information to be returned by Friday, October 20, 2017

Certificates: Along with this form, in a Word document, please provide the following complete project information for certificates: name and address of project; name and address of architectural firm; names and addresses of all consultants (Structural Engineer, MEP, etc.) whom you wish to have acknowledged on your certificates.

Awards Presentation: At the Monday, December 4, Design Awards Reception at Theater Works Hartford, you will be presented with the project certificates. Each project representative will come forth, receive the certificate, and speak for no more than three minutes on the three project images that will be shown. Unless we hear otherwise from you (please notify Jan Harris at jharris@aiactg.org), we will select the three images from your submission.

Please indicate on the form below the name of the person who will attend the reception as AIA Connecticut's guest, give the presentation, and receive certificates for your firm.

Thank you for your cooperation!
Joanne Rees, Program Director
