

Architect Application for AIA Connecticut Board of Directors

Our Mission: AIA Connecticut is the voice of the architectural profession, empowering its members to lead in service to society.

Our Vision: A more equitable, humane, inspiring, resilient built environment

Thank you for your interest in potentially serving on the AIA Connecticut Board of Directors. In order to assist the Nominating Committee, please provide responses to the following:

Your Name Jeremy Jamilkowski

Why are you interested in potentially serving in this leadership role on the Board of Directors?

As my first Board term was winding down I took a moment to reflect on what I had learned over the last three years and what I could contribute in a potential second term. During my first term I had the opportunity to be a part of revisiting the strategic plan for AIA Connecticut and I am excited to continue to support the execution of that plan.

What are your leadership strengths?

The leadership strength I value the most in myself is my ability to listen - only by leaving space for others to voice opinions and share their thoughts can we arrive at the best solution for the organization. I never underestimate the power of someone feeling heard, or being recognized for their contributions.

After listening comes action - I am focused and diligent. I love working toward a common goal or desired outcome, and take great pride in my ability to build and lead a team of people.

What are your passions/interests?

As an architect, my strongest passion has always been for Design - I think the spaces we create can have so much impact on our lives, well being and the society at large. Outside of the work I create, I am a constant advocate for teaching and mentorship.

What kind of prior experience, if any, do you have serving on a Board of other organizations?

AIA CT Board of Directors, ACE New Haven Board

Have you actively participated in any AIA Connecticut committees? If so, please provide a description of this involvement.

2023 Awards Committee (Co-Chair), 2024 Committee of Design (Co-Chair), AIA Board of Directors 2021-2024

You agree to the following requirements to be considered for a board position:

- Help to sustain the overall mission and purpose of AIA Connecticut.
- Actively attend events and programs of AIA Connecticut.
- Serve on one of the knowledge communities/committees of AIA Connecticut.
- Consider the potential leadership role as an Officer of the Board’s Executive Committee.
- Act as a resource for the Executive Director, as well as for the Executive Committee.
- Attend regular monthly and special meetings of the Board.
- Understand the minimal time commitment of a 3-year term.

By completing this form you agree to the above
