

# American Institute of Architects: Workshop on Design and Building

**Wednesday, April 16, 1-3 pm**

**Ives Main Library Children's Room**

This hands-on program, led by architects and educators, will introduce your child to the fascinating world of solar power. Your child will discover the science of solar energy, build a solar-powered model, engage in collaborative city planning, and learn about responsible energy consumption.

For ages 8-12. **Register** in the Children's Room or by calling 203-946-8129. Limited spaces available.

**IVES MAIN LIBRARY**

133 Elm Street, New Haven, CT 06510
